| 15:45 | Comfort break |
| 16:00 – 16:30 | Comments and closure |

About the guest speakers:

Pia Skott - is an associate professor at the Department of education at Stockholm university. She is also the director of the national training program for principals. One characteristic of her research is that she pays attention to the complexity of schools, including context, and school leadership, including coordination aspects within and between different system levels. In her recent projects she has focused on successful health promoting leadership and sustainable school development.
