FR01\_0727\_THO\_2025

From Monday 6 October to Thursday 9 October 2025, in Lille (France)

## PRACTICAL INFORMATION

### 1. TCA general information

This TCA is a seminar co-organized by the French Erasmus+ Agency and CCCA-BTP. The CCCA-BTP is in charge of all administrative management, follow-up and accompaniment of all participants, as well as the various logistical aspects (platform, registration, hotel, accommodation, etc.). It calls on an external event service provider.

As soon as you are selected, the CCCA-BTP and its service provider (Plus Voyages) will contact you directly to register you, obtain your agreement in terms of RGPD and image rights, integrate your "participants" profile on a platform for presentation and choice of workshops, networking, etc.

**All questions relating to your accommodation and stay should be addressed to the CCCA-BTP service provider.**

### 2. Registration, profile presentation and online networking platform

An online platform will be opened before the start of the TCA.

If you are selected by your own agency, you will then be contacted to complete a registration form on our online platform.

The platform will allow you to publish your participant profile: identity, photo, information about your organization/institution, etc.

This information will enable participants to discover the profiles of others before they arrive, so as to optimize the search for partners and networking. We will ask you to upload a short presentation in English (Word, PDF) about your organization and its educational project, your expectations, your ideas, etc.

Finally, you will have the opportunity to make an appointment in advance with the person(s) of your choice. Time and space will be set aside for networking meetings, independently of any other informal opportunities for discussion.

***This networking process (which has already been tried and tested on other TCAs) will only be a success if everyone takes special care to complete the forms, add a presentation, respond to requests for appointments, etc. We're counting on you!***
