TCA DESCRIPTION

Themes and goals:	The conference aims to promote promising initiatives in apprenticeship training in Europe and worldwide, including policy and systems-level insights, country cases and a final panel discussion in which National Agency directors consider Erasmus+ as a driving force for international apprenticeship training and promote international mobility in Erasmus+ VET.
Expected results:	Goals and objectives: to highlight the diversity and complexity of different vocational education systems and apprenticeship training in Europe and worldwide to promote the attractiveness and quality of apprenticeship training and its opportunities to discuss the role of Erasmus+ as a driving force for international developments to promote international mobility in VET in the new Erasmus+ programme to provide a wider forum for networking opportunities and for sharing experiences between VET experts
Additional information:	The main conference day is Tuesday, 20th of September. On the day before a pre-event will take place which aims to promote active networking between international and national participants. Spaces for national participants will be limited (approximately 80-90 ppl in total). Information for international participants: During the event, the Austrian NA covers the costs of accommodation for 2 nights (19th and 20th September) in a centrally located 4* star hotel as well as meals, refreshments. Costs linked to travel of international participants should be reimbursed by respective sending NAs. Information for NA staff: Please note

that staff travel costs and accommodation may be funded from NAs operational budget.
