TCA DESCRIPTION

Themes and goals:	<p>This transnational contact seminar aims to provide guidance on implementing the topic of European political education in schools through KA2 projects in accordance with the programme rules. The contact seminar will offer both theoretical and hands-on knowledge, along with practical experience on how to integrate the topic of Europe into the classroom. This will be achieved using project examples and content-related input on European education in Austria. Additionally, an overview of the Erasmus+ program and Key Action 2 will be provided, and participants will be encouraged to collect ideas for their own project implementation on the topic of "Europe at School" and develop them further in the group. The seminar focuses equally on Cooperation and Small-scale Partnerships, taking into consideration their different administrative and reporting requirements, and addressing both newcomers and experienced organizations. The seminar will include presentations, workshops, school visits, and excursions to key institutions of European politics.</p>
Expected results:	<p>By the end of this contact seminar, participants will have gained deeper understanding of Key Action 2 of the Erasmus+ Programme. Furthermore, the participants will have received input on the topic of European political education in school and be equipped with initial project ideas as well as potential project partners.</p>
Additional information:	<p>The Austrian NA covers accommodation for two nights, meals during the activity and the cultural programme.</p>
