TCA DESCRIPTION

Themes and goals:	The aim of this contact seminar is to facilitate the creation of partnerships among non-experienced organisations dealing with inclusion and operating in remote areas and/or local communities, and experienced organizations with the purpose of developing quality KA220 projects (Cooperation Partnerships in all fields of Education and Training) on various thematic areas. The analysis of the KA2 CY01 beneficiaries' profiles indicates that these types of organisations were not particularly visible in the previous Programme period, covering the years 2014-2020. This happened mainly due to the complexity of KA2 projects and all tools required for their efficient management. However, as inclusion is one of the main priorities of the New Programme period, the aim is to enhance access to the Programme for newcomer organisations dealing with inclusion and located in remote areas/local communities but also to experienced organizations interested to get involved and support such partnerships. The emphasis though will be on newcomer organisations, with the applied participation ratio being 2:1 (2 newcomers : 1 experienced organisation) in order to address the inclusion priority at the highest possible level, thus contributing to the overall NA's inclusion strategy.
Expected results:	Establishment of partnerships among non-experienced organisations, dealing with inclusion and operating in remote areas/local communities, and experienced organizations with the purpose to form and submit proposals under the KA220 action "Cooperation Partnerships".
Additional information:	Arrival day: 24.05.2022Departure day: 27.05.2022The programme of the contact seminar starts on Tuesday (24.05.22) at 19:00 and finishes Friday (27.05.2022) at 14:30 local time.The CY01 NA will cover accommodation for 3 nights (24,25 & 26), all meals during the activity and a cultural
