TCA DESCRIPTION

Themes and goals:	This transnational contact seminar aims to offer guidance on how to use the lump sum funding model for preparing and implementing quality and cost-efficient KA2 projects, in accordance with the Program's rules. The contact seminar will provide both theoretical and hands-on knowledge and experience on how to choose the most appropriate single lump sum amount to cover the costs of a project, based on its identified needs and expected results and how to describe the activities to be carried out by the participating organisations in line with the selected lump sum amount. The seminar focuses equally on Cooperation and Small-scale Partnerships, taking into consideration that they have different administrative and reporting requirements, addressing both newcomers and experienced organisations.
Expected results:	By the end of this contact seminar, participants will be able to successfully estimate the required budget for the implementation of a proposal for a Partnership for Cooperation.
Additional information:	Arrival day: 1.11.2022 Departure day: 4.11.2022 The CY01 NA will cover accommodation for 3 nights (1st, 2nd & 3rd of November), all meals during the activity and a cultural programme.
