TCA DESCRIPTION

Themes and goals:	TCA Green Erasmus: A contribution to Europe's green transition?! takes stock of the experiences gained in implementing the horizontal priority "Environment and fight against climate change" in Erasmus+. It presents the projects' contributions to date and the potential for future projects. A special focus will be on mobilities. The TCA intends to identify the role and contribution of Erasmus+ to Europe's green transition, to transfer best practices and to enable participants to learn from each other. It is open to the sectors Vocational Education and Training (VET) and Adult Education (ADU) in both key actions (mobilities and cooperation partnerships).
Expected results:	The participants learn about the role and contribution of Erasmus+ to Europe's green transition, get insight view of good practices, learn from each other. They discuss and design together new project ideas for the green transition and find cooperation partners.
Additional information:	Venue & Accommodation Seminaris Hotel Lüneburg, Soltauer Straße 3, 21335 Lüneburg All meals during the event and accommodation for May 21-23 are covered by NA DE02 for all participants.
