interactive project management raising awareness

TCA DESCRIPTION

Themes and goals: The contact seminar is designed for newcomers to the program, who has little or

no prior knowledge about Erasmus+. We will be facilitating the TCA through the specific parameters of Small-scale Partnerships (KA210), and our goal is to help parties interested in becoming newcomers navigate through some of the opening hurdles by introducing them to like-minded organizations, and facilitating thematic workshops as well as an array of "speed-dating" and general knowledge of project management. Activities 1) Joint presentations for everyone about Erasmus+ program and in particular Small-scale Partnerships, project management etc. 2) Sector specific sessions 3) Thematic specific sessions on the horizontal prioritiesAfter the seminar the participants:- Know more about Erasmus+ and Small-scale Partnerships.- Have had the opportunity to find potential partners for future projects (network). - Have had time to share

and develop potential project ideas.

Expected results: By creating a contact seminar for newcomers, we hope to bring down the first

barrier for newcomers in getting involved in Erasmus+. We expect the participants to go home with concrete knowledge about Erasmus+ and a

curiosity to start their own projects.
