### TCA DESCRIPTION

<b>Themes and goals:</b>	This seminar aims at improving the quality of pupil mobility in secondary and upper secondary school. Many of us have a conviction and a gut feeling that great things happen when we travel with our students. But what do we actually know about travelling with students and how do we do it in the best way? The central questions at this seminar will be: How can we be even better at travelling with our pupils? How can we prepare the pupils so that they get the optimal learning output and positive experience? How do we go through with the mobility in the best way and support our pupils abroad? How do we follow-up and debrief the pupils, so their learning is processed and grounded in the best way? And how do we make sure that the learning is implemented and anchored in the organisation?
<b>Expected results:</b>	The results of this seminar will be:- broader knowledge of pupil mobility, specifically: Preparation of pupil mobility Carrying out of pupil mobility – in action Following up on pupil mobility- exchange of best practice in the area of pupil mobility- evidence based knowledge of intercultural meetings and cultural exchange with school students
