TCA DESCRIPTION

Themes and goals:	Organised in partnership with the IH2EF (in Futuroscope-Chasseneuil, France) by the French Erasmus+ National agency. This study visit will focus on the wellbeing at school as a condition of success for the learners and teachers. The study visit will address health at school, school climate, the fight against discrimination, classroom discipline (link with academic success), school premises and the place of the child/pupil in the school and in the classroom (development of psychosocial skills, interculturality, autonomy).
Expected results:	Sharing experiences, practices and educational policies with other specialists from all over Europe on the topic. Meeting projects, experts and participate actively to workshops in order to enrich practices. Discovering Erasmus + opportunities to go further at European level.
Additional information:	Profile of participants: primary and secondary school: inspectors, school leaders (headmasters, principles...) local authorities or government staff responsible for these topics.Approx. 35 places (composed of 28 European & 7 French people) - a minimum of 15 participants is required. The participants should be prepared to share their experiences and present a tool or practice which seems relevant in their country regarding the quality education and well-being at school.If the flight lands at Roissy-Charles de Gaulle airport (CDG airport code), join the Montparnasse station by public transports.
