### TCA DESCRIPTION

|                          |   |
|--------------------------|---|
| <b>Themes and goals:</b> | <p>Validated TCA long title: Erasmus+ thematic seminar on Health in higher education and vocational education and training. How to make the most of Erasmus+ to train tomorrow's health professionals? Boost european mobility of students and staff, strengthen cooperation, support VET and HE institutions development strategy. Validated TCA short title: How to make the most of Erasmus+ to train tomorrow's health professionals? This seminar aims to contribute to the long-term work of building a European Health Union. To this end, it proposes the following activities to European institutional stakeholders and training organisation in the medical and paramedical fields: Share a common understanding and vision of training for health professionals in Europe. Share expertise and good practice in implementing international activities in medical and paramedical studies. Taking advantage of Erasmus+ opportunities for mobility (KA1) and cooperation (KA2) in medical and paramedical studies. During these 3 days, training organisations in health (medical and paramedical) will tackle mobility, internationalisation and development strategies through workshops, this seminar aims to show how they can use the Erasmus+ programme to respond to these challenges. With a main question: how to prepare tomorrow's professionals with Erasmus+?</p> |
|--------------------------|---|

**Expected results:** Foster cooperation among European training organisation in health (medical and paramedical) Foster European mobility for learners and staff in health (medical and paramedical) Erasmus+ Increase project application (KA1, KA2, Jean Monnet...) in health (medical and paramedical)

**Additional information:**
