TCA DESCRIPTION

Themes and goals:	<p>The event will present the opportunities, challenges and impact of Erasmus+ in the digital era. How education, training, formal or non formal can cope with the new ongoing (r)evolutions of the digital tools ? What are the impact and innovations of digitalization of education ?The 1st day is a large conference, that will focus on roundtables with high level speakers, and practical workshops with presentation of tools and project results:Tools to support Digital Transformation in Erasmus+ projectsDigital and civic education with Erasmus+Digital well beingDigital innovationThe 2nd and 3rd day will be dedicated to exchanges of practices and networking between participants, through workshops.Participants will also have the opportunity to meet the French award winning projects of the European Innovative Teaching Awards and the European Language Label.The event is co-organised by the Erasmus+ national Agencies in France for Education, Training, Youth and Sport, with the support of the Digital SALTO.</p>
Expected results:	<p>For the participants the expected results will be:Improved knowledge of digitalization issues in educationOpportunities for networking with European counterpartsDiscovery of practical tools and experimentation from Erasmus+ projects and networksThe mix of participants from various backgrounds and covering all educational sectors both formal and non-formal will be of major interest and added value in this TCA.</p>
Additional information:	<p>More information in the attached document "practical information".Arrival expected on Monday 1 December 2025 before 18:00 (registration at the hotel)Departure on Thursday 4 December 2025 after 17:00 or on Friday 5 December morning depending on available travel options (overnight</p>

possible) Travel arrangements should be made accordingly to avoid arriving after the start of the conference and leaving before the end.
