TCA DESCRIPTION

Themes and goals: Are you interested in a new Information and Communication Technology (ICT) tool that can connect you and your students with schools across Europe? If you are new to Erasmus + school programmes, looking for partners or are curious about how to work with other European schools, this contact making seminar is for you. "Connecting with Schools Across Europe: eTwinning and Erasmus+ Contact Making Seminar" will create the opportunities for schools to re-connect, build on European networks and plan future projects. This three day event will explore eTwinning, the European Union Funded free online platform, that supports primary and post-primary schools to find partners and work on joint projects in any curricular area.

Expected results: Objectives: •Gain first-hand experience of using the eTwinning on the new European School Education Platform •Explore eTwinning as a vehicle of communication, finding partners and developing projects •Learn about ways of staying connected with other schools across Europe through eTwinning •Engage in practical application of the learning •Build international connections •Develop project concepts •Find partners for Erasmus+ mobility projects
