### TCA DESCRIPTION

<b>Themes and goals:</b>	VET Connected - Get Connected is targeted at VET organisations that are looking to explore opportunities for new or expanded mobility programmes involving VET learners and staff. Participants should be planning to submit an Erasmus+ Key Action 1 proposal in response to one of the upcoming deadlines. The overall objective of the VET Connected - Get Connected event is to provide insights into funding opportunities for learner and staff mobility in VET, providing examples of good practice and opportunities for developing new partnership with Irish and international participants.
<b>Expected results:</b>	By the end of this event, participants will: know what opportunities exist for financing VET learner and staff -mobility via Erasmus+ programme; understand the benefits and challenges of delivering high-quality mobility programmes for VET learners and staff; be better positioned to work in partnership with other institutions in the design and delivery of new VET learner and staff mobility programmes in Erasmus+; meet and build a network of peers interested in transnational projects;
