TCA DESCRIPTION

Themes and goals:	This contact making seminar is tailored for post-primary schools, focusing on the powerful role Erasmus+ mobility plays in fostering students' active engagement in democratic life. Participants will: Discover how pupil mobility experiences supported by Erasmus+ can enrich the curriculum and deepen students' understanding of democracy. Hear first-hand accounts from peers about their pupils' Erasmus+ experiences and the impact on student participation. Build networks and partnerships, share best practices, and explore practical steps for integrating mobility-driven learning into their own schools.
Expected results:	This blended seminar combining both online and in-person elements will: Showcase how Erasmus+ funding for pupil mobility can complement and enhance curriculum delivery. Support schools in accessing funding and developing collaborative partnerships. Introduce non-formal and innovative educational approaches that promote active citizenship and democratic values in inclusive and accessible ways. Whether you're new to Erasmus+ or seeking to expand your school's participation, this seminar will provide you with the knowledge, inspiration, and connections to effectively engage with pupil mobility opportunities
