TCA DESCRIPTION

Themes and goals:	In the case of our Academy we are very much focused in internationalisation; how to make our Higher Education Institutions more attractive , and also how to cooperate with local authorities in order to make the territory a more attractive place; how Erasmus could change the environment , and make an impact. We will also contribute to the organisation of the Erasmus Academy organised by Romanian NA on communication and dissemination of results of the Programme. Moreover we will be partner of a study on staff mobility coordinated by Slovenia.
Expected results:	The aim is to propose solutions, give ideas, make proposals to the topics covered on the internationalization of the academic sector. At the end of the TCA, concrete proposals will be drawn up to be proposed to the EC.
