Subtopic:	newcomers application networking project management		

TCA DESCRIPTION

Themes and goals:	Are you new to the program Erasmus+ Key Action 2 or have little experience with it? Are you interested in creating a project for a small scale partnership, but do not know where to start? Are you looking for partners for your project? If the answer to these questions is yes, then this seminar is for you! This seminar is designed for newcomers to the programme, who have little or no experience in Erasmus+. We will be facilitating the seminar through the specific parameters of Small-Scale Partnerships (KA210 SCH, VET, ADU), and our goal is to navigate through some of the starting hurdles.
Expected results:	Overall Goal: to provide practical knowledge and skills to potential applicants for small-scale partnerships of the Erasmus+ programme on how to plan a project based on project management methods. Main goals: To get to know the specifics of Erasmus+ small-scale partnership projects. To provide knowledge, skills and tools for project planning: refining the idea, identifying the need for innovative products, ensuring quality, measuring the impact and ensuring project visibility. To provide the space to plan the essential aspects of an international partnership project. To improve the accessibility of the Erasmus+ programme to various types of new, less experienced organisations.
Additional information:	Target group: newcomers or less experienced organisations to the programme, representatives of organisations without application experience from various types of organisations: kindergartens, general education, vocational schools, various adult education organisations, third-age universities, libraries, communities, non-governmental or other types of organisations working in preschool, general education, professional education providing educational

services to target groups of various ages in the fields of teaching or adult education.
