TCA DESCRIPTION

Themes and goals:	We would like to explore the new path of Erasmus+ together, by focusing on school pupil mobilities as introduced in the Programme Guide. The objectives of the contact seminar: to increase the number of participants and promote pupil mobility to facilitate the development and implementation of KA1 pupil mobilities in mobility projects to facilitate in-depth understanding of mobility projects and their qualitative implementation, bring together potential partners from different countries eligible to participate as sending / hosting organizations, promote long-term learning mobility of pupils and emphasize its specifics, discuss challenges related to the topic, also concerning the pandemic, implementation of virtual mobilities
Expected results:	Learning outcomes: Participants will understand the framework of KA1 and will know the requirements of Erasmus+ applications (accredited, short-term projects). Participants will know how to connect the organisation's goals to EU policies. Participants will understand the requirements of successful Erasmus+ applications/mobility projects. Participants will know good practices. Participants will be aware of information about potential partners. Participants will get a better understanding of the organisational aspects of pupil mobilities and will know the entire mobility project lifecycle.
Additional information:	Applying for the event: using SALTO application form. The application form will be open until from 13.09.2021 till 08.10.2021. Selected participants will receive registration link.
