TCA DESCRIPTION

Themes and goals:	The contact seminar addressed to all sectors (SE,VET, HE, AE) linked to the LTA Sustainability. The focus of the activity is to address the Climate objectives under the Key action 2. The main aim is to promote the Climate objectives, across all sectors, and increase the knowledge needed to manage a good quality KA2 project
Expected results:	Expected Outcomes of the Seminar: Enhanced Understanding of Climate objectives for a good quality KA2 project implementation: Participants will gain insight into sustainability as a priority in Erasmus+ and how to integrate environmentally conscious choices into all phases of a project. Exchange of Good Practices: Attendees will share and learn from each other's successful experiences and approaches. Identification of Common Challenges: Participants will collectively identify common difficulties faced across sectors in implementing Erasmus plans. The participants leave the seminar with increased knowledge about climate and the environment, are more familiar with relevant tools and resources, green comp and climate adaptation. Participants will benefit from expert insights, inspiring examples of good practice, and the opportunity to exchange their own experiences and ideas on promoting sustainability within Erasmus+ projects.
Additional information:	Tentative agenda: 08th March 2026: Arrival of participants 09th March 2026: Full day of activity 10th March 2026: full day of activity until 4 pm Participation in the full event is mandatory. Please ensure that you arrange your travel accordingly

to attend the entire programme. Please note that all participants are required to have a good command of English. The selection process will be carried out through SALTO. Please make sure to submit your application no later than the application deadline.
