TCA DESCRIPTION

Themes and goals:	The overall aim of this transnational contact seminar is to increase the impact of the Erasmus+ programme and ensure that education institutions and organisations from the Nordic countries actively engage in in the key action 220 Cooperation Partnerships within the SCH and VET sectors. This contact seminar has a cross-sectoral focus and invites the participation of stakeholders from School Education (SCH), Vocational Education and Training (VET), and Higher Education (HE) as well as the private sector. It further aims to promote cooperation partnerships, provide support to potential applicants in terms of idea-thinking and project development, build on the target groups’ knowledge about KA220 and provide a platform from which stakeholders from different educational sectors can connect, share experiences and establish networks with
Expected results:	Increased awareness of the opportunities provided in cooperation partnerships A deeper knowledge of how to develop project ideas based on institutional and regional needs Provide networking opportunities with potential projects partners Platform for the exchange of ideas and good practices Promotion and dissemination of successful projects Increase cross-sectoral collaboration between SCH, VET and HE Potentially develop the foundation for further collaboration and a project plan
Additional information:	Please note that applications are only accepted from educational institutions and organisations in the Nordic countries – Norway, Finland, Denmark and Sweden. The contact seminar is arranged as a two-day event in Drammen, Norway. There will be both plenary sessions and sectorial sessions where all applicants must choose one of two tracks based on which sector they are planning to apply

for, either school education or vocational education and training. The primary target groups for this contact seminar will be applicants with some experience within Erasmus+ KA1 and/or KA2.
