### TCA DESCRIPTION

|                                |  |
|--------------------------------|--|
| <b>Themes and goals:</b>       | Themes and goals of the event: · Presentation of the Norwegian education system · Inspire and give new ideas within the topic · (TBC) Study-visit to local school working actively with climate/sustainability · Reflection on impact (possible use of Impact+ tool) · How to write a KA210 proposal /KA122 application · eTwinning · Networking   |
| <b>Expected results:</b>       | Expected results: · Knowledge on the Norwegian educational system and its specificities · Networking and sharing experience · Inspiration for future work and European projects (KA122 and KA210) on the topic climate/sustainability · Starting cooperation that will lead to project applications in October 2023 and/or February 2024 · Our goal is that, by the end of the seminar, every participant has found a potential partner for further cooperation  |
| <b>Additional information:</b> | Profile of participants: The seminar is open to participants within the field of school education. The seminar is mainly targeted at teachers, school leaders and others working with children aged 6-15 (primary and lower secondary schools), who are interested in learning how to start a small scale partnership (KA210) in Erasmus+ or who want to start mobility projects (KA122). "Others working with children" might be librarians (both school librarians and staff of public libraries), music/art schools, NGOs, etc. Participants should have good command of English. Participants should have no or little experience with Erasmus+. We expect your selected participants to be newcomers. |
