TCA DESCRIPTION

Themes and goals: Provide for a meeting place and offer training and support to beneficiaries implementing or planning to implement group mobility for pupils in lower secondary education (age 12-15) within school education. Through a variety of presentations and workshops the TCA will facilitate for: Discovering how eTwinning can serve as a tool for strengthened virtual cooperation and as a tool to enhance the quality of group mobility activities. Addressing common possibilities and challenges in implementing eTwinning and Erasmus+ projects. Networking of coordinators. Preparation for future cooperation.

Expected results: Enhanced use of eTwinning as a tool for virtual cooperation as well as a tool to be used in the process of planning, implementing and following up on group mobility activities for pupils under KA1, increasing the quality and outcome of international cooperation activities.

Additional information: The TCA will take place in Tromsø, Norway. Please note that the journey may be long.
