### TCA DESCRIPTION

<b>Themes and goals:</b>	The core objecties are: exchange of good practices in research activities, deliver reserach results to potentially intersted parties, dissemination of reaserch value in implementing Erasmus+
<b>Expected results:</b>	presentations of research activities and results; discussions on methodology in research on Erasmus+ programme; sharing of tools and good practices; networking for future joint research activities of NAs.
<b>Additional information:</b>	The seminar should bring together up to 80 participants, including up to 50 researchers engaged or interested in research on Erasmus-related areas. We welcome up to 4 participants from each country. Participants are invited to deliver a presentation related to the seminar topics. We welcome abstracts of both theoretical and practical natures. If a participant wishes to deliver such presentation, she/he is asked to send us proposed title of the presentation and a short abstract (300-500 words). For those who wish to inform about their research in a different way, a poster session will be organized during the second day of the seminar. If a participant wishes to present a poster, she/he is asked to provide us with short information on poster to be presented (title and outline of its content).
