TCA DESCRIPTION

Themes and goals:	<p>This year’s seminar will be devoted to answer the question: how the pandemic change learning mobility within Erasmus+ and European Solidarity Corps? We will therefore discuss research outcomes of the impact of Covid-19 pandemic on learning mobility within the Erasmus+ and European Solidarity Corps, and the influence of the pandemic on research practices and methodology. The following topics will be tackled during the seminar: Ø research on the impact of Covid-19 pandemic on learning mobility within the Erasmus+ and European Solidarity Corps (across all programme sectors and key actions); Ø research on Erasmus+ Key Action 2 – Strategic Partnerships; Ø methodological aspects of carrying out research in times of Covid-19 pandemic (challenges as well as good practice examples).</p>
Expected results:	<p>The seminar will provide an excellent platform for researchers and National Agencies’ staff involved in research activities to share their research results, to learn about current studies in the field of formal and non-formal education and mobility programmes, to share research tools and good practices, and to create networks for future joint research activities of National Agencies of the Erasmus+ and European Solidarity Corps.</p>
