TCA DESCRIPTION

Themes and goals:	<p>The Polish National Agency of the Erasmus+ Programme and European Solidarity Corps is happy to announce the 6th edition of the event on evidence-based policy in Erasmus+ and European Solidarity Corps, which in 2022 will be held in the workshop format on 22-23 September 2022 in Cracow. We strongly encourage to register representatives of National Agencies accompanied by researchers what should facilitate the discussions. The proposed topics are the following: - How to define research areas and goals? - How to formulate research questions pertinent to studying Erasmus+ and ESC (with a special stress on researching and evaluating Erasmus+ and ESC priorities)? - How to translate research results and recommendations into practice? The participants of the workshop will contribute to mapping key research areas within the four Erasmus+ priorities. These research areas will then be included in the Toolkit – a tool facilitating defining research areas, samples and tools, which will be made available to all interested National Agencies.</p>
Expected results:	<ul style="list-style-type: none"> · Participants will broaden their knowledge and skills concerning research planning. · Participants will may find partners for joint research projects.
