TCA DESCRIPTION

Themes and goals:	Profile of participants: headmasters and teachers of PRE-SCHOOLS interested in realization of projects in the framework of Erasmus+ programme, key action 2, priority of green practices and being able working in English during the workshops. Themes and goals of the event: This TCA is organized within the frame of horizontal priority for green practices. Pre-schools submitting applications to Erasmus+ often present low awareness of preparing coherent proposals in terms of needs analyzes, formulating goals, actions, results and adequacy to Erasmus+ priorities. Responding to this diagnosis a goal of the event is to support teachers and headmasters in professionalization of their knowledge and skills within project planning of educational international cooperation projects in areas of: needs analyses; formulating objectives; creating activities and results. Participants will work in teams on the draft of projects concerning their interest. Groups will have possibility to choose themes of the projects within the area of green practices important from the point of view of their institutions and local communities. As a consequence we want to increase number of good quality partnerships in school education sector.
Expected results:	Expected results: Participants will broaden their knowledge and skills concerning project planning. Participants will find partners for projects and will create drafts of projects.
