TCA DESCRIPTION

Themes and goals:	<p>The Health E+motions Seminar is an informative and interactive programme that brings together individuals who have participated in and facilitated, short and long-term international mobility projects under the Erasmus+ and European Solidarity Corps Programme. The seminar serves as a tool for mapping mental health-related challenges that emerge during projects. It offers participants a space to share their experiences, gain new insights, and explore innovative solutions to overcome these challenges while equipping participants with the knowledge and inspiration needed to respond effectively to mental health issues that may arise during their international mobility projects. The Health E+motions Seminar is an opportunity for organisations and project leaders from various sectors to come together and collaborate on the topic of mental health in mobility learning. Participants will engage in group discussions, workshops, and expert talks to share knowledge and best practices for promoting well-being. The seminar also offers networking opportunities for potential partnership-building collaborations. Overall, the event aims to empower attendees to take positive steps toward improving mental health practices within mobility projects in their respective fields. The program will prioritize the mental health of beneficiaries involved in long and short-term mobilities across all sectors of the Erasmus+ and European Solidarity Corps programs. It will also provide participants with a space to develop their well-being practice through experiential activities.</p>
Expected results:	Health E+motions Seminar will bring together newcomers and experienced coordinators, teachers, and mentors of short and long-term international

mobilities in various sectors of Erasmus+ Programme as well as European Solidarity Corps Volunteering Projects to: Share and discuss their experiences regarding mental health-related challenges Become inspired with new knowledge and skills needed to respond to these challenges Share mental health-related tools and best practices Explore self-care techniques Network on potential future projects
