TCA DESCRIPTION

Themes and goals:	The aim is to set the start of a durable collaboration between the different agencies involved in the LTA project. The event will be the occasion to talk, about, reflect and explore the Networks Across Sectors in order to establish a European Community.
Expected results:	The event is one of many events developed in collaboration with several Agencies on the civic engagement topic and on the management of the networks of the actors involved whether they are Ambassadors, Role Models, Euroapprentices, ESN or Alumni. The goal will be to start the discussion on the constitution of an integrated and synergic group of people trained and ready to disseminate – among students, teachers, and adults – communitarian opportunities and to build up a common sense of belonging to Europe
Additional information:	The event is part of a plan of National and International events together with national Agencies involved in the LTA P.E.A.C.E. in order to organize and promote International Conferences. The event will start on the morning of the 30th October and it will finish the 02nd of November with Concert of The Erasmus Orchestra. The Portugues NA will cover the following meals: Lunch 31st, 01st and 02nd October, and the dinner of 01st of November. The Dinner of the 31st of October won't be covered.
