TCA DESCRIPTION

Themes and goals:	<p>The event is designed as a training course on how to write a successful application combined with elements of a classic contact-making seminar. It will gather representatives from youth organizations, schools, VET organizations, universities, public institutions and public authorities, NGOs, companies, etc. The thematic focus will be green education in Europe and how to approach this priority in partnerships for cooperation both in cooperation partnerships and small scale partnerships. Erasmus+ frame offers both the opportunity and the appropriate tools to develop green competencies and to contribute to a sustainable approach. More about green and sustainable development: Welcome to Our planet, Our future Our planet, Our future Greening Youth Information Services</p>
Expected results:	<p>Objectives of the course: To provide the necessary information to understand and implement Erasmus+ cooperation partnerships and small-scale partnerships. To provide a space for sharing knowledge and experiences between organizations involved in different types of learning activities. To create a space and context for developing partnerships able to submit good quality applications and effectively implement them. To offer a common understanding of the principles of education for sustainable development and green practices within different organizations and initiatives. The event will place the participants in the center of the learning process through interactive digital methods while focusing on the understanding of the concepts and specifics of working in international projects. A mix of training, workshops, facilitated discussions will be used while the work results will be presented in the plenary sessions. The activities will be led by experienced facilitators with a broad understanding of the learning process and cooperation partnerships under Erasmus+. Feedback and</p>

recommendations will be provided by experts from the Romanian NA. Duration: 4 days with 2 sessions/ day, Zoom platform (10.00-14.00 CET, with a break between) Approach: We will be working in different groups and addressing both actions under partnerships for cooperation: one group for cooperation partnerships and the other one for small-scale partnerships.

Additional information:

Profile of participants: Represent an organization active in one of the fields: youth, school education, vocational education and training, adult education, higher education; The organization has at least one former experience in an Erasmus+ project as a partner or as a coordinator for cooperation partnerships; No former experience required for small scale partnerships; Drive and motivation to write, submit and implement a project proposal; Has the full support and agreement of the organization represented to engage in partnerships; Fluent in English Be able to take part in all 4 days of the event and are willing to complete the application forms.
