TCA DESCRIPTION

Themes and goals: This seminar will focus on career guidance and counselling (CGC) activities

designed to support students' transitions from one level of education to another and from education to labour market. Career transitions have certain similarities at different levels of education. These common elements, as well as specificities related to each level, will be explored in expert presentations and interactive workshops. Participants will have the opportunity to acquire knowledge of some key concepts in the field. CGC practitioners from different educational institutions will gather to discuss different approaches, common challenges and ways to support students through cross-sectoral and international cooperation.

Expected results: Achieving a better understanding of the students' and learners' needs in

transitionsGaining new ideas for activities, tools and projects to support students and learners in transitionsNetworking, building partnerships and exchange of ideas and best practices between participantsRaising awareness of the importance of the cross-sectoral cooperation in the field of CGC in order to ensure continuous opportunities and support to students and learners on each

educational level and pathway
