TCA DESCRIPTION

| | |
|--------------------------|---|
| Themes and goals: | <p>This TCA will focus on writing successful project proposals on the subject of Inclusion, and helping beneficiaries to implement high quality inclusive projects. This will be a contact seminar - giving participants the opportunity to find partners for future projects, and at the same time it will introduce representatives of institutions interested in submitting successful KA1 and KA2 applications to the possibilities of the Erasmus+ program. We will especially focus on the ways to make mobilities more inclusive and support participants with fewer opportunities. Also, we will explore opportunities for institutions/organisations working with users with fewer opportunities (i.e. students with health conditions or disabilities, students coming from rural or economically underdeveloped areas, etc.) to develop their practices through projects. Examples of good practice will be presented and experienced NA staff will contribute through guidance and advice during the project writing workshops.</p> |
| Expected results: | <p>The overall objectives:</p> <ul style="list-style-type: none"> • To support future applicants in preparing good project applications for KA1 and KA2 E+ projects on the subject of Inclusion (or with the focus on Inclusion as a priority). • To provide support for the representatives of schools to find the way to help their students/teachers with fewer opportunities to get involved and experience the possibilities offered by the Programme. • To give the opportunity to the beneficiaries with experience to find new ideas and project partners. • To support beneficiaries to improve the inclusion dimension in their |

current and future Erasmus+ projects. • For participants to acquire knowledge on how to apply the inclusion aspect when drafting project activities.

LONG-TERM ACTIVITY INFO

Title: Inclusion for newcomers

Coordinator: RO01 - Agentia Nationala pentru Programe Comunitare in Domeniul Educatiei si Formarii Profesionale

Priority: Inclusion and Diversity (2021-27)

Subtopic: newcomers

Sector: SE VET AE

Country: Czech Republic
Greece | Italy
Romania | Serbia

Working language: English

Start date: 01.2022

End date: 12.2024

Rationale and background:

In 2021, EC launched the cross-sectoral Strategy for Inclusion and Diversity, based on the Implementation guidelines Erasmus+ and European Solidarity Corps Inclusion and Diversity Strategy. In this context, each NA created its own national strategy or action plan, adapted to its own national realities. Starting from this, RO NA proposes the LTA addressing inclusion for newcomers from E&T sectors (SE, VET, AE). The very first series of events will focus on preparing the participants to be able to develop qualitative small-scale partnerships (KA2) projects, addressing newcomers and small and less experienced organizations addressing inclusion and/or working with vulnerable target groups. In this line, for each event we expect to have on board participants with none or minimum developed project management skills in order to go through the process of project cycle management and as well to understand and internalize the inclusiveness of their future Erasmus+ project. In most cases, each of NA could use TCA - both regular activities and LTAs- as main tool to foster inclusion at national level, in an international context. The next phases will also tackle Short-term projects for mobilities.

Challenges: Different national realities within LTA partners.

Planned Activities:

2022 May - August National mapping of newcomers or less experienced organizations
 Promotion of general aspects about Erasmus+ and the 2 KAs managed by NAs
 Promotion of international event to be hosted by RO NA
 September 2022 International TC with contact seminar elements on writing small-scale partnerships
 3 online support coach and mentoring sessions prior October's deadline.
 June 2023 International TC with contact seminar elements on writing small-scale partnerships in Greece
 2023 and 2024 similar TCs for Short-term projects for mobilities and small-scale partnerships.

Expected results:

Promotion of Erasmus+ programme as a tool for inclusion among E&T organizations;
 Increased quality of future projects coming from small organization with no experience in Erasmus+;
 Providing the space and context for networking between participants to share ideas and inclusive approaches, to find answers and solutions to the same needs, to find partners for future initiatives and projects.
