### TCA DESCRIPTION

<b>Themes and goals:</b>	STRATEG+ is a cross-sectorial training course aiming at creating a space for peer learning and exchange of good practices that would increase the quality of KA2 projects. STRATEG+ will focus on specific activities of the cooperation partnerships as project management, transnational project meetings, intellectual outputs, multiplier events or training, teaching and learning activities from the perspective of transversal activities as project and budget monitoring, quality and relevance to the objective. The activities are part of the NAs strategy of working with the topics of inclusion and participation as well as increasing the number of project applications and their quality. For KA beneficiaries approved in the new programme.
<b>Expected results:</b>	Increased quality implementation of KA2 approved projects as a follow up of the participation in STRATEG+; Contribution to the cross-sectoriality in KA2 projects and a created framework for exchange of good practices among KA2 BEN as a follow up of the participation in STRATEG+ Increased project success and use of budget.
