TCA DESCRIPTION

Themes and goals:	This is primarily a contact seminar which aims at bringing together organisations active in the field of adult education that are interested in applying for a future KA1 mobility project for adult learners. The event will provide an opportunity to learn more about the adult education system in Slovenia and in the countries of wider participants, whilst encouraging discussion on the benefits and challenges of adult learner mobility. The ultimate goal is to inspire the creation of new mobility partnerships that can work together to deliver future adult learner mobility opportunities, either via KA121 or KA122, with the hope that each participant will find a way to participate, as either a sending or receiving institution.
Expected results:	By the end of this contact seminar, participants will be able to: - DEVELOP NEW MOBILITY PARTNERSHIPS with adult education organisations interested in sending and/or receiving adult learners as part of future mobility programmes; - HIGHLIGHT THE BENEFITS of mobility for one or more adult learner audiences; - SELECT adult education systems, countries and institutions that might be best suited to host adult learners from their own country and institution.
Additional information:	Expected 20 participants from Slovenia and 30 participants from 8-10 other countries.
