TCA DESCRIPTION

Themes and goals:	The focus of the transnational seminar is to explore the social impact of career guidance and its transformative potential towards more sustainable and inclusive societies. During the seminar, we will look at how career guidance can be beneficial to various communities, how it can encourage fairness, and promote social cohesion. This intensive learning seminar will feature keynote presentations by renowned experts, study visits to various organisations, presentations of inclusive practices, and structured space for networking and peer exchange.
Expected results:	The expected results of the thematic seminar are following: Participants will gain better understanding of the social impact of career guidance Participants will learn about inspirational inclusive practices and guidance services in Slovakia Participants will widen their professional network
