How can the Platform support planning TCAS, renewal of the site

- Limesurvey results, spring 2020 – thank you for all your feedback, remarks, suggestions
- COVID-19 situation: TCAs went online
- Please use the SALTO E&T site for your events and keep it up-to-date

Platform support

- **Covid-19 related changes visible on the event cards:**
 - postponed/cancelled
 - online/blended/face-to-face
- **Recent functions:**
 - Eval follow-up
 - Excel export of the events

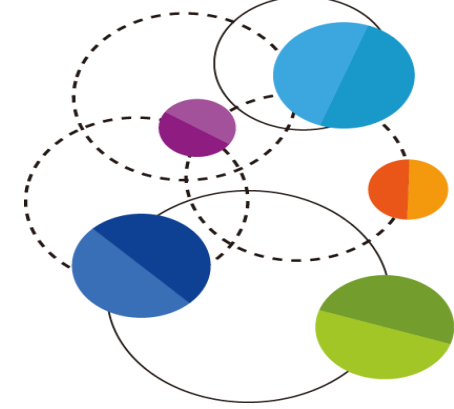

Platform support

- **Complete renewal of the SALTO site** – planned launch: first quarter of 2021
- **Simplified, user friendly approach**
- **The whole TCA lifecycle is supported by the new functions**
(planning, publication, online application and selection of participants, realisation, evaluation, follow up)

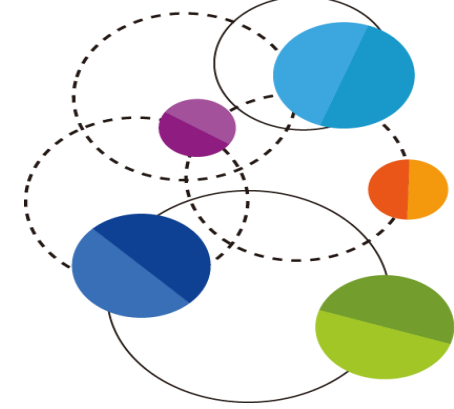

Platform support

- **Division of the site:**
 - **„Visitor” view - responsive, optimised for mobile**
 - for the applicants
 - general presentation
 - **„NA colleagues” view (TCA officer, NA staff) – optimised for desktop**
 - dashboard for TCA planning with new functions
 - different levels of privileges

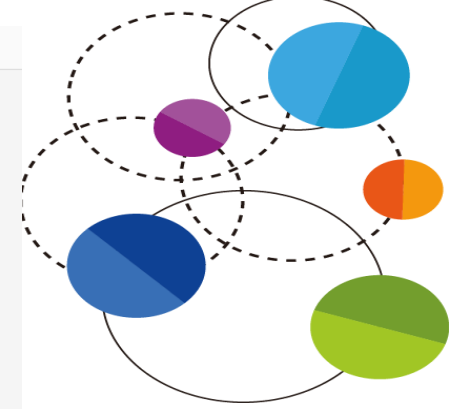

Platform support

- **Renewal of the site**
 - adjusted to the new Programme of the European Commission (single and longterm TCAs, Research)
 - Dynamic, tailor-made development
 - based on your feedbacks, remarks
 - reacting to your professional needs
- **Outcomes: also divided (different topics for the visitors and for the NA colleagues)**
