officers

Swim in the sea

Collaboration

..What are your expectations for this meeting?

More practical TCA info to be able to improve

..When I think of cooperation with SALTO....

Easy!

Make administration easier

Support

Flexible

Simplification

Great and very helpful

Easy administration

Very nice colleagues

Connect

..When I think of cooperation with SALTO....

Hope

Its gonna be well preped

i am very hopeful :)

I think of systemaising our processes.

always helpful team!

New opportunities

Very fast and easy

Support

A step forward

..When I think of cooperation with SALTO....

better sustainability, more
quality, easier way to work,
simplifying methods,

I feel passion and
engagement :)

Training

Connect

Online tools that work well

I need online application form
via the platform.

development

Always ready to assist with
problems

fuzzy, a state within the state
:-)

..When I think of cooperation with SALTO....

Platform with a lot of potential

Friendly and efficient communication

Connection

I wish for more smooth digitalisation

Giving compliments and the need if practical Information

I think about new challenges and also new opportunities

Rough start, but it seems to be working to some extent now. Looking forward to see what the next six months will bring.

i feel I still do not have the gist for everything I need

To be easier

..When I think of cooperation with SALTO....

Good basis for a centralised tool.

Support each other

Love the platform, colleagues are very helpful

Professional work

Support

I believe they are trying very hard to support us and working on a challenging number of developments.

Hope to find all info in one place

In a transition period so it does have its problems. It is easy to miss out on events.

..How do you rate TCA Cooperation among NA's

..Concerning TCA Quality, I am curious about.....

..By 2027 Erasmus + TCA will have developed into

It's on key action!

A cult

TCA+

Tool to improve education in Europe

Established tool for cooperation

Easier

Main tool

a strategically used tool in Erasmus+

A main feature of European cooperation

..By 2027 Erasmus + TCA will have developed into

Working team in every Na

full time position of TCA officer

A key action

own budget line(KA in E+

Have more saltos

Diversity

The major tool for amplifying
the impact and wonder of
Erasmus+

Activities that foster quality in
Erasmus+

an easy program to
administrate

..By 2027 Erasmus + TCA will have developed into

Fixed Instrument for all teachers in Europe

recognized part of a program

High quality events available for everyone

Formula 1

online application form

A key action with an own budget and more capacities for the planning an realization

Own budget

A simple action

A more strategic tool for promoting E+

..By 2027 Erasmus + TCA will have developed into

Key action

An important and easy tool for education workers to start projects

Something wonderful

Action with high visibility

Connector

Action itself-like eTwinning but for all sectors

The only cooperation mechanism for education

Holistic Programme

Own key action

..By 2027 Erasmus + TCA will have developed into

Including partner countries of the world

Events linking formal and informal education

Networking around same measurable objectives

A blooming fruitful important still strong ongoing tool for international collaboration a big memory now in my past working career

a finely tuned, cohesive network for the promotion of Erasmus+

A possibility without complicated application process for participants to go abroad
