1. Introduction
2. Focus of your Objectives assessment
3. Case discussion
4. Assessment criteria for Objectives

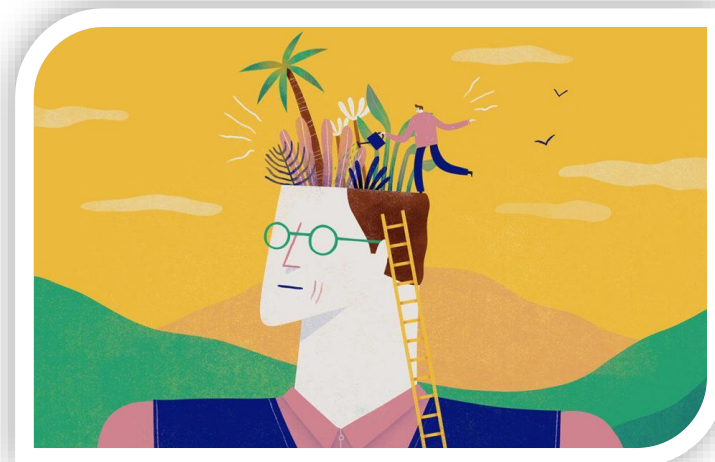

What is your **top 3 focus points** when assessing the Objectives of an Erasmus Plan?

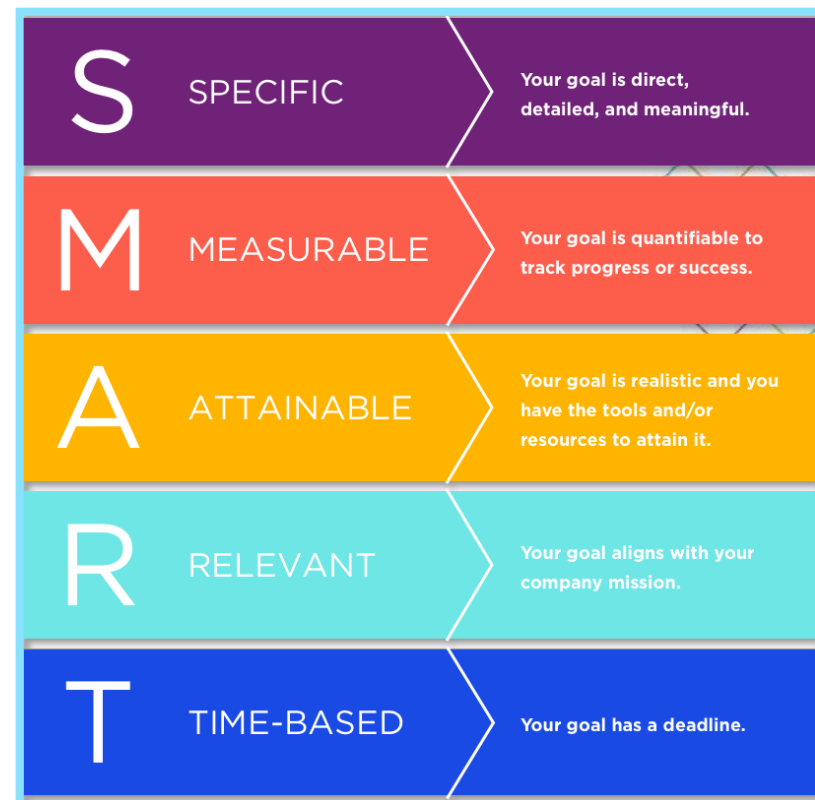

1.
2.
3.

Keep the main difficulties and focus points in mind!

Read and discuss the case in groups and answer the following questions:

1. What **score** would you give this Objectives part (40)?
2. What were the **makes** or **breaks** in your scoring?
3. If you had a **feedback meeting** with this applicant, what would you tell them?

Read and discuss the assessment criteria in groups and answer the following questions:

1. What concrete examples would you like to see from the applicant on each assessment criterion?
2. Do you miss a criterion?
3. If the European Commission cannot add your desired criterion, how could we integrate it in our current assessment process?

Thank you for your attention!
