

Planning for 2021 – where are we now? (with TCA examples)

- TCA ideas were discussed at the TCA officers' follow up meeting (23-24 September)
- Ideas shared in a [Padlet](#)
- Topics were discussed in breakout rooms
- Long term, strategic TCA ideas are under formation:
 - Accreditation (coordinated by SALTO E&T TCA)
 - Digitalisation (coordinated by SALTO E&T TCA)
 - Erasmus Academy (coordinated by DE02): inclusion and sustainability – green Erasmus (DK01)
 - Contact making seminar series for Cross sectorial strategic partnerships (DK01, DE03, BE02, CZ01, etc.)

Single TCA ideas were shared also: Study visit, Study guidance towards VET sector in Denmark (DK01), TCA on career guidance for vulnerable groups (RS01), etc.

Planning for 2021 – where are we now?

Next steps:

SALTO E&T sends the Padlet link to the NAs with the synthesis of the breakout rooms
- 9 October

Concept paper of the long term TCAs coordinated by the SALTO is shared by the NAs
- 9 October

NAs need to decide if they want to coordinate a long term TCA and share a concept (paper) with other NAs – Padlet! - 5 November

NAs need to decide if they want to organise single events and share in Padlet! – 5 November

NAs need to decide on which long term TCAs they wish to join as organizing, sending partner or provide financial contribution (eg to research) – 15 November

NAs need to put macro level information in the Work Programme template about the TCAs – 15 November

Erasmus+

Main conclusions drawn from TCA officers' meeting follow up event

Proposals for professional and technical improvements

- To provide more information about
 - TCA planning
 - Future programme
- To set a database on which planned TCAs are communicated so that those interested in collaborating as coordinating NAs can express their interest. This can further help our planning.
- To lead breakout groups better
- To make OA more relevant

Raised topics for events:

- special event on long term TCAs in spring
- some finished TCAs and reports of them (by NA officers)
- online seminars and the quality and impact of them
- Training on how to make TCAs more appealing to participants and more impactful.
- More information about how to work strategically with TCAs in the new E+ Programme.

Long-term TCA in digitalisation
